The Farmer's Daughter

Large Planter Collection

Hi Trade Customers!

I'm thrilled to share something incredibly special with you today. As we step into a new chapter at **The Farmer's Daughter**, I'm excited to unveil our latest creation: a line of planters that perfectly captures the essence of the current top home decor trends.

With a rich background in fashion, sales, marketing, and product development, I've poured all my passion and expertise into designing this collection. Our new trends —**Back to Basics**, **Delight in the Dark**, **Jardin Chic**, **Nature Inspired**, and **White Out**— are inspired by high-end home decor and are crafted to bring sophistication and style to any space.

We hope you fall in love with these designs as much as we have. Each trend has been carefully curated to not only reflect current styles but also to create inviting spaces that feel both modern and timeless.

Interested in learning more about our wholesale options? We'd love to hear from you! Please reach out to explore how **The Farmer's Daughter** can enhance your offerings with our trend-inspired planters.

Thank you for joining us on this exciting journey. There's nothing quite like doing what you LOVE, and we can't wait to share our passion with you.

Warm regards,
Jacqueline Costa
The Farmer's Daughter

Introduction

Inspired by **Nature**,

Perfected by **Craftsmanship**.

Innovative Fiber Cement Design:

Discover the perfect blend of durability and style with our fiber cement planters, engineered to elevate every space.

Handcrafted Excellence:

Each planter is a testament to our dedication to quality and detail, offering unique pieces that transform any environment.

Seamless Integration:

From residential sanctuaries to dynamic commercial spaces, our collection enhances any setting with its timeless appeal.

Sustainable and Stylish:

Embrace a greener future with our eco-friendly planters, designed to support sustainable living while adding a touch of elegance.

Welcome to The Farmer's Daughter, where every planter tells a story of passion, innovation, and a commitment to creating beautiful, enduring spaces.

About the Material

Fiber Cement

Our planters are crafted with a blend of durable cement and fiberglass inner lining.

The addition of fiberglass helps to make the planters lighter without compromising strength.

Crafted with precision, they flaunt sharp, stylish patterns in various shapes, styles and sizes – perfect for giving your space a personalized touch.
